years

Setting: School or home
Number of interactive lessons: 5
Number of games: 9, 1-3 minutes duration
Average length of lesson: 3-10 minutes

Nessy Fingers is easy to use and highly motivating.
Play 9 great games and win a mountain of rosettes, trophies and medals.
Simple navigation gives you the freedom to explore.

Just 5 short lessons

Keys are learnt in the sequence of the alphabet. This unique approach allows rapid learning and keeps students motivated.

Using the alphabet provides a logical and familiar learning structure and reinforces the alphabet sequence, vital for using an index or dictionary.

Nessy even provides stickers to cover the keys!

A game based approach to goal setting

You swim as Nessy to set personal speed and accuracy targets. Your result sets the recommended 'Skillometer' level for all games. 9 levels of difficulty range from 4 to 30 words per minute.

Nessy Fingers teaches the 3 skills needed to touch type:

1. **Memorise key positions** – lessons encourage correct finger placement and posture
2. **Accuracy** – Perfect Typing unlocks secret rewards
3. **Speed** – Practice develops speed. Motivate practice with 9 great games and 21 trophies

- **Type safely**
Limber your fingers when the 'Take a Break' button appears

- **Speed up**
Complete homework more quickly
- **Concentrate for longer**
Engaging lessons and games focus attention
- **All abilities succeed**
A multisensory learning environment designed by specialist teachers
- **Play again and again**
Unlock secret treasures, discover hidden rewards

Type with your
own words and music

Nessy Fingers includes 233 word lists. Words become progressively harder to improve both spelling and basic punctuation. You can even create your own lists of words and sentences! Music can help you get into a typing rhythm. A special feature allows you to listen to your own music as you play games!
